## Vision

The North Avenue Presbyterian Church Endowment (NAPC Endowment) was the prayerful vision of those who came before us. They knew that the work of the Lord needed to continue at NAPC well after their deaths. They established an NAPC Endowment that has provided financial resources for some of the meaningful ministry we have done as a congregation since 1973.

Now, we begin a conversation about our NAPC Endowment with the NAPC community.

The role of the NAPC Endowment is to provide resources to continue God's work for needs not yet known and to

grow a financial foundation for future ministry. The NAPC Endowment honors a vision of God's work through the Church not limited by annual budgets, the lifetime of one pastor, the passion of one member, **or the limits of our human minds and hearts.**

When our doors opened, our founders could not have imagined all that would shape this congregation's vision today.

*"...nor can we fully define today the needs of the future—but we can prepare—by continuing an NAPC Endowment that gives us the ability to act, to respond and to be—North Avenue Presbyterian Church."*

– 2021 NAPC ENDOWMENT TEAM MEMBER

*Where there is no vision, the people perish...*

PROVERBS 29:18 KJV

*And whatever you do, whether in word or deed,  
do it all in the name of the Lord Jesus,  
giving thanks to God the Father through him.*

COLOSSIANS 3:17, NIV

## Share the Past

Between 2004 and 2020, the NAPC Endowment contributed \$3.5 million to fund programs like Street Grace, Thornwell Home for Children, Columbia Seminary, and for many years the salary of NAPC’s urban missions minister. Gifts to the NAPC Endowment have also supported annual concerts with the Atlanta Symphony Orchestra, audio visual equipment, sound equipment,

a new telephone system, and a new air conditioning unit. Additionally, more than \$550,000 of the SHINE campaign came from our NAPC Endowment.

**Every dollar the NAPC Endowment has given means NAPC has needed one dollar less from our members, all thanks to the obedience and vision of past members.**

## Celebrate the Now

Among many other efforts, the NAPC Endowment currently helps support ‘Feet on the Street Ministries’ (FOTSM). Below is a small part of the story about the start of that ministry and how our church can show up as the hands and feet of Christ.

### THE STORY OF MAURICE LATTIMORE—FEET ON THE STREET MINISTRIES FOUNDER

Maurice found NAPC by God’s grace. He woke up one morning in a dumpster. His mother would not let him back into

her home due to drug abuse, and so he found himself homeless. Maurice said, “I knew the Lord, Jesus Christ, drew me to the steps of NAPC one morning, one morning, and that led me to become a part of this wonderful church family.”

Maurice joined NAPC in 2010. In 2018, he, along with his wife Joan, started Feet on the Street Ministries to provide education, training and coordinated services to homeless and low-income individuals and families. Maurice, Joan, and volunteers have ministered to

Atlanta’s most vulnerable—with a meal, a place to shower and most importantly with a listening ear and the Gospel of Christ—often from the NAPC parking deck. They create relationships while helping with needs like clothing and basic hygiene.

The Lattimores said, **“Without the help of the NAPC missions team and the NAPC Endowment, countless people experiencing homelessness would not be served or experience the love of God’s grace.”**

*The King will reply, ‘Truly I tell you, whatever you did for one of the least of these brothers and sisters of mine, you did for me.’*

MATTHEW 25:40, NIV

*So we fix our eyes not on what is seen,  
but on what is unseen, since what is seen  
is temporary, but what is unseen is eternal.*

2 CORINTHIANS 4:18, NIV

## Imagine the Future

NAPC engages members to explore, with boldness and courage, the sacred in our lives, every day. Through a stronger Endowment, we can do even more to increase the impact of our faith and actions from the corner of North Avenue and endow our mission, ministries, and worship through radical, faith-filled generosity. We are committed to answering the call to advance the Kingdom of God on Earth.

We have been blessed by the spirit-led generosity of our predecessors. Now,

it is our turn to imagine what we can do by supporting what we do not yet know or see. A strong NAPC Endowment allows us to continue to be a visionary and imaginative congregation.

**“Maintaining the NAPC Endowment gives NAPC the ability and the resources to seize opportunities we have not yet imagined serving God in the years ahead. Giving to NAPC is an investment in the future of God’s work on the corner of North Avenue and Peachtree.”**

–NAPC Elder, 2021

## Prayerful Consideration

Please pray about how the Spirit may want to use you now, and even long after you are gone, to support future generations who may walk and serve in the halls of NAPC. Endowed funds differ from pledged gifts in that the total amount of the gift is invested. Each year, only a portion of the income earned is spent while the remainder is added to the principal for growth. In this respect, a gift to the NAPC Endowment is a perpetual gift. The gifts given by NAPC Saints in the 1970’s allowed NAPC, through the NAPC Endowment, to have resources today.

**Others gave in the past. We experienced the benefits and saw the grace...now it is our turn!**

**We welcome and celebrate any gift amount.** Also, if you want to speak with someone to pray or get more information, do not hesitate to reach out.

There are many ways to support the NAPC Endowment. Please visit our website ([nipc.org/endowment](http://nipc.org/endowment)) to view extended details about all giving opportunities. A short list is below\*:

**PLANNED GIFTS:** you can plan to give to the NAPC Endowment through your will or estate. Possible giving vehicles include:

- Bequests through a will.
- Gifts of life insurance.
- Gifts from retirement plans.
- Gifts of real estate.

**CASH + CHECKS:** A gift or commitment of cash to the NAPC Endowment may be payable over a period of up to five years.

**HONORARY OR MEMORIAL GIFTS:** gifts in gratitude or remembrance of others may be made to the Endowment.

**GIFTS OF SECURITIES:** the Endowment will accept publicly traded securities under most circumstances.

Other giving options may be available. For more information, call **Kenny Kyle** at **404-875-0431** ext. **222** or email [endowment@nipc.org](mailto:endowment@nipc.org)

# Gateway Center

**ANNUAL REPORT 2019-2020**

More Than a Shelter for Over 15 Years

## MESSAGE FROM THE CHIEF EXECUTIVE OFFICER

Gateway Center is an amazing organization that has continued to serve Atlanta's most vulnerable citizens, by **creating solutions to mitigate homelessness**, for 15 years. Our 2019-2020 year provided another opportunity for our team to innovate, collaborate, and serve as a beacon of hope for those without shelter during the COVID-19 pandemic and in the fight for social justice. Within this Annual Report we will share our journey, illustrate our community partnerships, describe our impact, and provide heartwarming success stories.

Despite the challenges we encountered, our team, partners and funders have shown an increased level of resourcefulness, resilience, and compassion. Gateway Center not only continued as one of the primary providers of homeless services, but we also partnered with others as we altered our delivery model to ensure the safety of our guests and staff. This resulted in strengthened partnerships with the City of Atlanta Mayor's office, United Way of Greater Atlanta, Community Foundation of Greater Atlanta, Atlanta's corporate and philanthropic community, local businesses, special interest groups, and many more.

The last several months have demonstrated the Atlanta community truly is extraordinary. However, we must continue to demonstrate the resiliency and strength of an engaged and mobilized community. We aspire to truly become a beloved community that is filled with love, justice, compassion, and **solutions** for all. Thank you Atlanta - for your time, commitment, dedication, and support of our efforts to engage and uplift our neighbors who are experiencing homelessness. I am excited about our partnership and what we will continue to accomplish TOGETHER!

Solutions Focused,

Raphael Holloway, Chief Executive Officer

# MESSAGE FROM THE BOARD OF DIRECTORS, CHAIRMAN

Dear Friends,

Gateway Center has always prided ourselves on agility and adaptability. From the beginning, we pivoted our plans to become a part of the solution in meeting the needs of the community. By delaying our opening, we served as the first stop for hundreds of individuals arriving from New Orleans in the wake of Hurricane Katrina. Gateway Center opened our doors and floors to families displaced by a shelter closure, which had created a surge in family homelessness. In partnership with Mercy Care, we opened the first recuperative care beds in the community providing respite for men experiencing homelessness who were ready for discharge from the hospital but had no place to finish their recovery. Gateway Center partnered with Georgia Works! to house and support the launch of an innovative and successful program to restore self-sufficiency to men with high barriers including criminal records and substance abuse histories.

In 2020, Atlanta and Gateway Center were presented a new challenge...the COVID-19 pandemic. From partnering with Mercy Care and Centers for Disease Control and Prevention to serve as the hub for an ambitious and successful project to test the entire sheltered (and most of the unsheltered) homeless population; to assuming the key role of hiring, training and supervising the operating staff for the isolation hotel for infected individuals and the non-congregate hotel for the unsheltered who tested negative; Gateway Center has been an active part of the solutions in addressing the COVID-19 pandemic and its impact on individuals experiencing homelessness. We partnered with community outreach teams and established our own in order to serve the escalating unsheltered population as other shelters closed their doors. Our team accomplished all of this while providing our staple services of coordinated intake and assessment, residential programs, recuperative care, and serving as the community's front door to the continuum of care. Gateway Center found ways to protect our heroic staff who encountered multiple challenges and risked their collective health to serve those in need.

I could not be more proud of this marvelous team, and I'm thankful for your support that made all of these solutions possible. We pray that 2021 brings brighter days and fewer challenges.

Thank you, one and all, for journeying with us as we celebrate 15 years of crystalizing solutions for homelessness.

In the Spirit of Service,

Edward J. (Jack) Hardin, Board Chairman

## OUR VISION

To live in a community where homelessness is rare, brief and non-recurring.

## OUR MISSION

To connect people experiencing homelessness with the support necessary to become self-sufficient and find a permanent home.

## OUR BIG GOAL

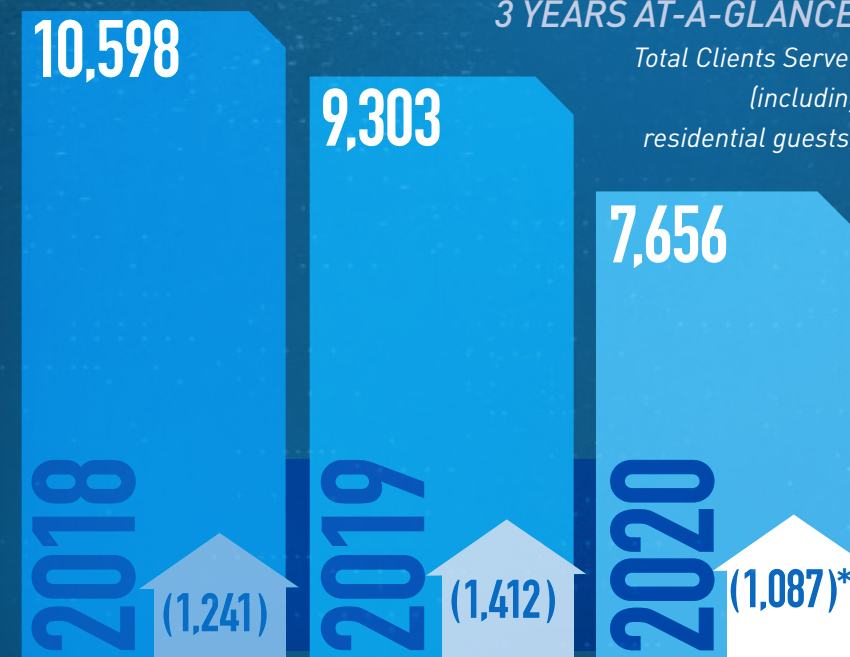

By 2021, Gateway Center will support 1,000 people in finding a permanent home.

## GATEWAY CENTER'S KEYS TO SUCCESS

Each of our services, activities, and partnerships are part of our intentional effort to be client centered, trauma informed, and utilize best practices while emphasizing human value and dignity. To ensure the alignment of services, Gateway Center has focused our efforts on Five Keys to Success.

# WE REMEMBER

# SUCCESS STORIES

## REPRESENTATIVE JOHN LEWIS AND REV. C.T. VIVIAN WERE PILLARS OF OUR COMMUNITY

In 2020, our community mourned the loss of two men whose lives embodied what it meant to crystallize solutions for long-term, effective change.

Representative John Lewis and Rev. C.T. Vivian were pillars who fought for the rights of the lost, the last, and the least. Their lives shined a bright light in places of injustice that were often overlooked and even covert. Our work would not be possible without their courage to challenge and advocate for change.

## PARTNERING FOR CHANGE!

As our nation entered the global COVID-19 pandemic and we were faced with the harsh realities of racial and social injustices, Gateway Center recognized our critical role in serving our community. Gateway Center was founded in the spirit of partnership and collective impact. In choosing to continue to serve in a time of crisis, when the needs of our community were extensive, our team of essential workers made the necessary pivots to continue to assist our guests while becoming advocates for change. Gateway Center is thankful for our partners and neighbors within our community who did not turn away when faced with adversity. Thank you for leaning in and choosing to be innovative and courageous in creating solutions for our city's most vulnerable citizens who are experiencing homelessness.

### SHANTEL'S STORY

Before coming to Gateway Center, Shantel felt trapped in a domestic violence relationship. She knew her only choice to ensure the safety of her family required her to leave her home. Shantel shared, "I just decided to grab the kids; I left my home, my dog, and even my job without notice. I got in my car and I just drove. Gateway Center provided me with the tools to understand that being homeless is just your current situation. My kids speak about the experience frequently; they don't have any bad memories from this experience because it was brief ... almost overnight, Gateway Center helped us. They really accepted me and my family."

Shantel is now stably housed with her children and in a healthy thriving relationship. Gateway Center is more than a shelter for those we serve. We are creating solutions collaboratively with our partner agencies to ensure everyone can find their path home.

### HENRY'S STORY

Henry became a resident of Gateway Center in 2018 and transitioned to the supportive housing community at O'Hern House in 2019.

Henry encountered many barriers while working towards his goal of housing. Thankfully, he was able to connect with the medical team at Mercy Care to receive assistance and guidance to address his medical and mental health symptoms.

He worked very hard to build trusting relationships with our staff and to create a network of support.

Being surrounded by supportive staff and his fellow peers granted Henry the opportunity to embrace life with a new optimistic attitude. He made significant changes in his life and established a network of support to help maintain his housing and assist with his medical needs.

Now, Henry has a place to call home.

## HUMAN CLAY IS GATEWAY CENTER'S SIGNATURE ANNUAL FUNDRAISING EVENT

Funds raised directly support programming, including intensive case management, job readiness training, food services, and other vital supports. The FY20 event was hosted at White Oak Kitchen and Cocktails. Gateway Center was honored to have Rev. Raphael Warnock as our keynote speaker.

# OVERVIEW OF PROGRAMS

## GATEWAY CENTER OFFERS BOTH NON-RESIDENTIAL AND RESIDENTIAL PROGRAMS

Gateway Center is not a shelter; we are a homeless service center. We meet our guests where they are and join them on their individual journey toward self-sufficiency. We have 482 beds between our two locations, offer 9 residential programs, and collaborate with 12 on-site partners who share our vision for Atlanta.

### RESIDENTIAL PROGRAMS

**GWC Case Managed Residential Programs** — Provides guests with a supportive, structured, therapeutic, safe, and drug-free environment. Men experiencing homelessness (often with mental disabilities and/or substance dependencies) are provided an initial screening and coordinated assessment, comprehensive case management services, and linkages to resources and community partners to stabilize their condition in order to successfully transition into rapid re-housing or permanent supportive housing.

**Partner Case Managed Residential Programs** — Gateway Center collaborates with a wide range of social service agencies to provide wraparound services promoting positive outcomes, and our collaborative efforts make homelessness rare and brief for those served in our programs. Guests in these programs reside at Gateway Center but are case managed by a partnering program. A full list of our partnerships can be viewed at: [www.gatewayctr.org/programs-and-services](http://www.gatewayctr.org/programs-and-services)

**GWC Emergency Shelter Programs** — provides Emergency Shelter for individuals through our Cold Weather shelter program on nights when the temperature drops below 40 degrees. In limited situations, Gateway Center provides emergency shelter for families with children as they await available placements in short-term residential programs offered by local shelter providers.

### NON-RESIDENTIAL PROGRAMS

**Engagement Center** — Serves as a resource center during the day and an emergency response center under special circumstances. While permanent housing is the end-goal for individuals experiencing homelessness, basic human services are critical in building relationships while meeting immediate needs. These services and resources include access to restrooms, showers, storage lockers, telephones, cell phone charging stations, clothing, laundry, hygiene supplies, health (physical and behavioral) services, and referral services (i.e., DFCS, ID assistance, and employment resources).

**Outreach** — Street outreach involves moving outside the walls of our organization to engage with individuals experiencing homelessness who may be disconnected and alienated from mainstream services and supports. This incredibly important work is designed to help establish supportive relationships, provide guidance and support on available services and enrollment, and increases the possibility that the unsheltered community will access necessary services and supports from Gateway Center and/or other providers who will help them transition to shelter.

**Coordinated Entry** — Provides coordinated entry services and serves as an access point to the Atlanta and Fulton County Continuums of Care, which connects men, women, and families experiencing homelessness with housing assessments, emergency shelter placements, and linkage to long-term housing placement options available through the Housing Queue. Gateway Center utilizes an industry standard initial screening tool, the Vulnerability Index-Service Prioritization and Decision Assistance Tool (VI-SPDAT). The VI-SPDAT is rooted in leading medical research that determines the chronicity and medical vulnerability of individuals experiencing homelessness.

**Mercy Care Clinic @ Gateway Center** — Uses an integrated health care model and provides onsite medical services (physical health, behavioral health, and dental) to those experiencing homelessness.
